Stock Market Outlook for Tuesday, June 18, 2019

HEADLINE: S&P 500 Index trading within the narrowest 5-session range since the end of 2017.

The Markets

... The S&P 500 Index continues to trade in a tight range as investors wait for the next catalyst to move stocks. The five session range between the high and the low is a mere 22 points, which is the narrowest span since the end of 2017 as investors sat on their hands until the full benefits of tax Cuts and Jobs Act came into effect. These narrow ranges typically precede explosive moves, whether it be higher or lower; it is...<... **MORE: click link below ...**>
