

Top-Ten Portfolio

We have created a portfolio of stocks with a primary focus being on recovery and growth and, secondarily, on attractive dividend yields.

NOTE: *The Top-Ten Portfolio has a long-term perspective. It comprises essentially a Buy-and-Hold strategy, with minimal trading. The portfolio will be appropriately invested but, if circumstances warrant, there could be a sizable cash component. The initial investment will be a total of \$500,000. It is intended that each of the stocks in the Portfolio will have an equal weighting.*

TODAY'S COMMENT: *There has not been much change in the value of either the Portfolio or the S&P/TSX Composite Index over the past two weeks. Their respective performances over 2019 were identical a fortnight ago, but now the broad index has moved slightly ahead of the Portfolio, 21.2% to 19.9%. Of the 9 stocks in the Portfolio, 3 are currently "under water". The best performers continue to be AltaGas, up 43.7%, and Kinaxis, up 33.4%. We raised the Price Targets for both Kinaxis and Parkland Fuel to reflect the broad-based moves each has made in the last few weeks. We are still intending on exiting Canada Goose and Fairfax Financial Holdings, but we will wait for a suitable selling opportunity.*

The portfolio is presented below.

Comparison

For comparative purposes, the following graph depicts the performance, since initiation, of the eResearch portfolio (BLUE line) against the S&P/TSX Composite Index (PINK line). Both indexes include reinvested dividends, and the portfolio includes trading profits/losses.

The portfolio is lagging the broad market index by 1.3% to date in 2019:

Portfolio performance = +19.9% (includes dividends and trading profits)

S&P/TSX Composite = +21.2% (includes dividends)
